## Home from home child-care at its best.

### The Barn Nursery Award Scheme

*Giving something back!*

The Barn Nursery Awards are designed to give something back to the community in return for their support for the nursery, simply by making registration referrals.

The Barn Nursery Awards give an opportunity for parents, play groups or individuals to get some financial benefits back when their children start at nursery. For every weekly session that is registered (and attended over the first 3 months) at The Barn Nursery, either £10 in cash, £15 in childcare vouchers or £20 in Boogle's barn vouchers will be awarded to the referrer. A registered session is a morning or afternoon and includes NEG funded sessions. For example, that means if a single pre-school age child is referred by you and takes up their 5 free NEG funded childcare sessions per week then you will receive £100 in Boogle's Barn vouchers. That in itself is a Silver Party package for 10 children!

- Daisies Baby Unit
- Bluebells Toddler Room
- Buttercups Pre-school Room
- Holiday Club
- After School Club
